## OBJECTIVE

Software developer passionate about creating efficient and user-friendly applications using modern technologies. Focused on improving skills and contributing to real-world, impactful solutions.

## EDUCATION

### GLA UNIVERSITY

B. Tech in Computer Science and Engineering  
(CPI : 8.87/10)

### MATHURA, INDIA

2023 – present

### DAV FERTILIZER PUBLIC SCHOOL

Intermediate (12th): 89.6% (CBSE)  
High School (10th): 90.8% (CBSE)

### BABRALA, INDIA

2021 – 2022  
2019 – 2020

## PROJECTS

### Green Grow: Crop Recommendation System

[\[Live\]](#) [\[GitHub\]](#)

Python, Flask, scikit-learn, React, Pickle

- Developed a machine learning-powered Flask web application to recommend optimal crops based on soil nutrients, rainfall, and climatic conditions.
- Trained and deployed a classification model using scikit-learn, for seamless backend integration.
- Structured the project with a modular and scalable architecture, enabling easy deployment and future enhancements such as real time weather API integration.

### Scriptlify: AI-Powered eBook Creator

[\[Live\]](#) [\[GitHub\]](#)

React, Node.js, Express, MongoDB, Google Gemini AI, JWT

- Built a MERN-based application to generate, structure, and export complete eBooks using AI assistance.
- Integrated Google Gemini AI for automated content generation and intelligent chapter planning.
- Developed secure and scalable backend services with JWT authentication and REST APIs.
- Designed a responsive UI with React and Tailwind CSS for seamless editing and real-time preview.

## TECHNICAL SKILLS

**Languages**    Java, Python, JavaScript

**Frontend**     React.js, HTML, CSS

**Backend**      Node.js, Express.js

**Databases**    MySQL, MongoDB

**Tools**          Git, GitHub, VS Code

**Core CS**       DSA, OOP, DBMS, OS, CN

## ACHIEVEMENTS & CERTIFICATIONS

- Led a 6-member team in the Internal Smart India Hackathon, achieving Top-15 among 225+ teams through solution design and effective collaboration. 
- Solved 900+ DSA problems and competed in 65+ contests on [LeetCode](#) and [Codeforces](#), achieving ratings of 1750 and 1200+, respectively.
- Ranked among top students (25th, 19th) in B.Tech (CSE) across consecutive years, showcasing sustained academic performance and discipline.
